Fenia interview

Ancient Greek toys website

- Do you have high-res pictures of products ?

- Will you be able to take photos with a solid background ?

- Which phone do you have ?

- Tell us about the variety of products (e.g. categories)

- Tell us about the background behind each of the toys, they way people are supposed to interact with them, age restrictions

- Will you be happy with playful and elegant being the main principles in our design ?

- Nft idea: what is your opinion ?

- Footage of your design process (preferably professional)

- What do you think about adding a 'story' aspect to the website ?

NFT proposal:

We sell product bundles (0.05$ to 150$ to generate an nft, added to the price)

User adds crypto wallet

We transfer the nft

10% royalty from the deal (3% goes to us)
